

Employment Opportunity at Stirling Hospital

Experienced CSSD Technician – Part Time or Casual Opportunity

About Us

Stirling Hospital is a not-for-profit private hospital delivering a broad range of specialised surgical services across all age groups. We are seeking an experienced Central Sterile Services Department (CSSD) Technician to join our team.

About the Role

As demand for our services grows, we are expanding our CSSD team and looking for an experienced, reliable, and motivated CSSD Technician to join us in a part-time or casual capacity.

This is an excellent opportunity to contribute to a high-quality perioperative service and play an important role in supporting safe, efficient patient care.

About You

You will bring demonstrated experience, sound judgement, and the personal qualities needed to thrive in a busy perioperative environment, including:

- A strong commitment to quality, safety, and attention to detail
- The ability to work calmly, efficiently, and collaboratively in a fast-paced team
- A reliable, proactive, and professional approach to work

Essential Requirements

- Certificate III in Sterilising Services
- Proven CSSD experience within hospital environment
- Sound knowledge of AS/NZS 5369:2023
- Current Working with Children Check and National Police Check
- Australian citizenship or a valid visa with work rights

Benefits of working at Stirling Hospital

- Part-time or casual flexibility
- Salary packaging to increase your take-home pay
- A supportive, community-focused workplace
- Staff wellbeing initiatives and online professional development
- The opportunity to contribute to a respected local health service
- Free on-site parking

How to Apply

To apply, please send your application to Sharron Kemp, Perioperative Services Manager, at skemp@stirlinghospital.org.au.

Only shortlisted applicants will be contacted. Stirling Hospital reserves the right to appoint before the closing date if a suitable applicant is identified.
