

**OUR MISSION**

To provide safe, personalised, high-quality healthcare that meets the needs of our patients.

**OUR VISION**

To be a trusted, progressive and sustainable hospital of the future, and recognised for the care we provide.

**OUR VALUES****Personalised Care**

We care for every person as an individual.

**Approachable**

We foster a warm, inclusive environment.

**Excellence in Quality**

We deliver quality services.

**Future Focused**

We embrace innovation, improvement and change.

**OUR STRATEGIC PILLARS****Solidify financial discipline and operations**

Operating smarter so we can grow stronger.

**Renew and enhance our infrastructure**

Future proofing our footprint to meet evolving needs.

**Evolve our service model and partnerships**

Choosing what we do best and who we do it with.

**Build confidence and connection through a strong identity**

Partnering with our people through the journey.
