

## MESSAGE FROM THE CEO

With Spring approaching and the days growing longer, it is an exciting time at Stirling Hospital. Our latest campaign has been featured on bus shelters and billboards across Mount Barker, Portrush Road and Glen Osmond Road, and the response from the community has been overwhelmingly positive. It has been wonderful to see the Stirling Hospital brand proudly represented throughout the region.

We are also looking ahead to several exciting initiatives, including planning for our Centenary celebrations in 2027 and our presence at the Stirling Laneways Market this October. More details will be shared in the coming weeks, as we prepare for a busy and rewarding season ahead.

## CHRISTMAS IN JULY

On July 30<sup>th</sup> we hosted our second annual Christmas in July event, bringing together local GPs, Specialists, hospital staff and our valued event sponsor, Radiology SA, for an evening of connection, conversation and celebration.

Special guest, author Gemma Parker, was interviewed by Sarah Hyde about her new book, *The Mother is Restless and She Doesn't Know Why*, which sparked interesting conversation. Thank you to the Stirling Hospital catering team, Sarah Hyde and Stirling Hospital staff for helping to make the evening such a success.

## CENTENARY

We are very close to confirming details of a major event to celebrate our Centenary in 2027. Details on how we plan to celebrate our special year coming soon.

## STIRLING LANEWAYS

We would like to confirm we will be having a stall at the upcoming October Stirling Laneways Market on Sunday October 25. More details soon. Come and say hello. We look forward to seeing you there.

## COMMUNITY FORUM

Our next Community Information Forum will be held on Thursday September 24 in the Stirling Hospital Boardroom. Keep an eye on our social media and website for details.

## RETIRING SPECIALISTS

Dr Tony Mavrokokki, Dental Surgeon, has retired after almost 23 years of dedicated service at Stirling Hospital. We thank him for his exceptional care, valued contribution and commitment to our hospital community, and wish him all the best in retirement.

Dr Alexa Potter, Plastic and Reconstructive Surgeon and Hand Surgeon, has also concluded her private practice following a period of personal leave. After seven years as a valued specialist at Stirling Hospital, she will continue her career as a Plastic Surgery Consultant at Flinders Medical Centre. We thank Dr Potter for her contribution and wish her well.

## NEW SPECIALISTS

This month we are welcoming two new specialists to Stirling Hospital.

Dr Heather Tan is a Respiratory and Sleep Medicine Physician with clinical interests in sleep disorders and chronic ventilatory failure and chronic lung disease.

Dr Stephen Kinsey-Trotman is a Breast, Thyroid & General Surgeon who will be bringing his warm, patient-centred approach to private practice, consulting at Stirling Hospital from August.
