

Experienced CSSD Technician

Part-time or casual opportunity

About Stirling Hospital

Stirling Hospital is a not-for-profit private hospital providing specialised surgical services for patients of all ages. As our services continue to grow, we are looking for an experienced Central Sterile Services Department (CSSD) Technician to join our perioperative team.

The Opportunity

Join our expanding CSSD team in a part-time or casual capacity and help keep our perioperative services running safely, smoothly and efficiently. We are seeking a dependable, motivated technician who takes pride in high standards and works well in a busy clinical environment.

This is an opportunity to make a meaningful contribution behind the scenes—supporting high-quality patient care, surgical safety and an effective perioperative service every day.

What You'll Bring

You are an experienced CSSD professional with sound judgement, a strong safety focus and the ability to stay composed when priorities shift. You will also bring:

- A strong commitment to quality, safety, and attention to detail
- The ability to work calmly, efficiently, and collaboratively in a fast-paced team
- A reliable, proactive, and professional approach to work

Essential Requirements

- Certificate III in Sterilising Services
- Proven CSSD experience in a hospital environment
- Sound knowledge of AS/NZS 5369:2023
- Current Working with Children Check and National Police Check
- Australian citizenship or a valid visa with work rights

Why Join Stirling Hospital?

- Flexible part-time or casual employment options
- Salary packaging to increase your take-home pay
- A supportive, community-focused workplace
- Staff wellbeing initiatives and online professional development
- The opportunity to contribute to a respected local health service
- Free on-site parking

Ready to Apply?

If you are ready to bring your CSSD expertise to a supportive, community-focused hospital, we would love to hear from you. Please send your application to Sharron Kemp, Perioperative Services Manager, at skemp@stirlinghospital.org.au.
